

HISTORY OF THE I.B.E.W. INT'L BOWLING TOURNAMENT

What is now known as the I.B.E.W. Bowling Tournament originated in St. Louis, Missouri, in January 1945 when the late International President, E.J. Brown, who happened to be in St. Louis, learned that the St. Louis Contractor Association was sponsoring a 12-team league made up of members of Local Union No. 1. President Brown, aware of the fact that the Milwaukee Contractors Association was also sponsoring a league, suggested a match between the two cities.

Arrangements were made that matched the three top teams of each city in a three-game match. Each team bowled at home and scores were relayed by telephone.

The St. Louis team won and became the temporary holders of a beautiful trophy donated by President Brown. This trophy must be won by a city three times before it can retain permanent possession.

Louisville, KY-Sixty-second, 2006

On June 9-11, 2006, Louisville, KY was proud to be the host of the 62nd annual I.B.E.W. Bowling Tournament. This is the sixth time Louisville has been home to the Tournament and the second time this millennium. A group of 50 teams came and enjoyed the amenities of the smallest large city of the union.

The host hotel was the Marriott Downtown Louisville, the same Hotel the Local 369 helped build years earlier, located in the heart of downtown Louisville. It was close to the Ohio River to see the oldest running river boat, The Belle of Louisville, as well as our newest attraction of 4th Street Live with its many bars and restaurants. The hospitality room had beer and refreshments flowing all night long and I believe a couple of card games broke out. The Dinner was a buffet style at the table with the band Alpha Q (don't say it too slowly) was a hit with their renditions of 70's and 80's music.

Our Ladies Day Outing for our guests was at the historic and newly renovated

Churchill Downs. Some ladies lost some money to our Commonwealth, but all seemed to have a good time.

Special thanks go out to our committee members, volunteers, and everyone in the Local 369 office who made the 62nd Annual I.B.E.W. Bowling Tournament a huge success.

Now for the Winners, looks like Local 26 from D.C. has a lot of sandbaggers because they won it all:

New York, NY Sixth-seventh, 2011

Local Union # 3 was privileged to host the 67th Annual I.B.E.W. International Bowling Tournament on June 3, 4 & 5, 2011. There were 285 bowlers and 57 teams which participated during the weekend. It was an honor to have I.B.E.W's President Edwin D. Hill as our guest along with L.U. #3's Business Manager Christopher Erickson. The Sword of Light Pipe Band played in a procession to commemorate the events. Brother Erickson rolled out the first ball to commence the tournament.

Friday night, 60 bowlers took the chance to see if they had what it took to bowl like Walter Ray Williams Jr. or Parker Bohn III on the PBA tour. Astoria Bowl housed the Pro-Shot and Local #3's own Kenny Fenton took 1st place followed by LU #3 Angelo De Sena in 2nd, LU #26 Frank Jennings in 3rd, LU #26 Leonardo Littlejohn in 4th and LU #58 Don Olmsted in 5th.

The LaGuardia Plaza provided a great place for our bowlers to stay while they took time to unwind from that day's events and get ready to sight see in the BIG APPLE. Our Union Hall's grand room, where our meetings and other celebratory events are held provided a spacious place for Saturday evening's Annual Dinner Dance. With a delectable buffet, DJ and magician, the night proved to be eventful. Also, our guests were able to view the memorial, which is placed just outside the hall, to honor our Brothers who we lost due to 9/11.

The bowling events took place in Local #3's house **JIB** Lanes, named after our "**Joint Industry Board**" and Rockville Centre Lanes. The lanes were a challenge for most, but for those who placed high above the rest, proved they had the balls to win.

IBEW LU 1579 would like to thank all the teams who came and participated in the 69th IBEW Bowling tournament in Augusta. Majority of the teams stayed at the Augusta Marriott, while we had a few take advantages of the cabins at our lake property.

The tournament was held at Brunswick and Masters Lanes. Lane conditions seemed to be very satisfactory especially for Walter Riley and Jeff Soots of LU 481, who shot a new tournament doubles record of 1559.

As Georgia is known for southern hospitality, we elected to have an old-fashioned barbeque at the LU 1579 lake property catered by Sconyers Barbeque. Sconyers Barbeque has been ranked in the top ten in the U.S. for his barbeque and served on the White House lawn for President Jimmy Carter. Along with barbeque, entertainment was provided by hypnotist David Bryan Smith of Atlanta.

On June 7, 8, & 9, for the seventh time, Local 369 proudly hosted the I.B.E.W. International Bowling Tournament.

We welcomed more than 300 bowlers and guests from the U.S. & Canada to Louisville and the Galt House Hotel overlooking the Ohio River on The Belvedere.

On Friday, some bowlers enjoyed the sport shot at King Pin Lanes, some enjoyed exploring downtown Louisville, and some took part in the hospitality party at the home of Local 369. The singles and doubles were held at King Pin Lanes, and the team event was held at Fern Valley Strike & Spare.

A huge shout-out & congratulations to Sean Donnelly of Team "I'm Broke Every Wednesday" out of Local 701 for rolling a 300 game during the team event! What a great accomplishment! His fellow I.B.E.W. bowlers could not be prouder of him!

Local 369 presented the winners with beautifully designed bourbon barrel lids in keeping with one of Kentucky's biggest traditions.

Saturday brought a great day trip for those who wanted to see some of Louisville's other great traditions. A day to watch the finest thoroughbreds run at historic Churchill Downs, home of the Kentucky Derby, the most exciting 2 minutes in sports! Some came away winners, some left a little green, but all had a Triple Crown time!

Saturday night brought the traditional I.B.E.W. banquet, dance, & party! A wonderful opportunity for everyone to get together in one place. The food was delicious, with a lot of dancing to the great entertainment!

HISTORY OF THE I.B.E.W. INT'L BOWLING TOURNAMENT

After the banquet, some brothers, sisters, & guests headed out to 4th Street Live and partying up until the wee hours! Others stayed close and enjoyed the informal hospitality room in one of our host's rooms.

We cannot give enough thanks to all who helped to make this 75th a huge success! Local 369 Brothers & Sisters, their spouses, friends, & others, who volunteered their time. And especially a BIG, BIG, thanks to all the I.B.E.W. Bowlers who made putting on this tournament a great joy!

We look forward to seeing you all in Augusta in 2020!

After having to postpone the 2020 tournament because of covid we had to move it from June to July for some of our brothers because of quarantine restrictions. Then we had to change hotels because of a basketball tournament. It was one heck of an experience of hosting a tournament. It was a smaller than usual turnout because of covid but I thank all my IBEW brothers who showed us appreciation of what we had to endure.

We look forward to seeing you all in Birmingham!
